MEMORANDUM FOR: Deputy Director for Administration

SUBJECT : Office of Personnel Report -- Week Ending
24 October 1975

25X1A

1. Bicentennial Committee: This committee, chaired by Mr. [] of the Office of Personnel, has representatives from the Offices of Security, Logistics, Finance and Medical Services. The purpose of the committee is to determine what problems may or may not exist for Agency employees returning from overseas, applicants being invited in for interviews, etc., because of the large impact of visitors arriving in the Washington Metropolitan Area during the Bicentennial. The committee has already determined that all of the hotels in Rosslyn are booked solid during this period, as well as some in Vienna, Fairfax and downtown Washington. Problems are already starting, as the couriers appear to be having more difficulty keeping to their scheduled runs in the downtown area. Among matters of concern to the committee are whether the \$33 maximum per diem for invitees will be sufficient to cover their expenses; how great the parking problem will be; and whether and where housing will be available. The committee will meet again on 29 October to study these problems further.

8. Health Benefits Rates: The Civil Service Commission has issued a press release setting forth the 1976 premium rates for plans of the Federal Employees Health Benefits Program (FEHBP). Two different rates for each plan were provided pending the outcome of action by Congress with respect to coordination of benefits between the FEHBP plans and Medicare. Currently, when a person has coverage under both FEHBP and Medicare, Medicare pays its benefits first and the FEHBP plan pays the remainder of covered expenses. If this arrangement continues, the lower of the two rates reported by the CSC will become effective. Should Congress decide to designate Medicare as the secondary provider of Health Benefits coverage, the greater rate will prevail. A comparison of the Agency's Association Benefit Plan rates with those of the two Government-wide plans is attached. Premiums of the Association Benefit Plan are less than either of the Government-wide plans.

our quota of 100, as the ceremony is scheduled on a Government holiday. We were pleased, however, to find that our employees are taking advantage of this opportunity to bring their families, and we have had to order an additional bus to accommodate this larger-than-expected group. Providing we don't have rain on Monday, all should go well.
